Using the Catalog

The **Catalog** page is where you will find the courses and live events that we offer.

A. **Courses, Learning Paths,** and **Live Sessions** tabs. Click to switch the display between
- Courses - Courses in our catalog.
- Learning Paths - Groups of courses that lead to a certificate or badge.
- Sessions - Upcoming live events, such as webinars.

B. **Courses or sessions.** Scroll down to see all the courses we offer or live events we have scheduled. For each you will find information such as
- Description
- Date and time (for live sessions)
- Number of Modules (for courses)
- Certificate if one is awarded
- Reviews if the course/event has participant ratings

C. **Filter.** Filter the catalog listings for a particular topic.

D. **Search.** Find catalog listings by their title.

E. **Sort.** Show the catalog listings by date added or in alphabetical order.

F. **Enroll.** When you click Enroll, the course is added to the active courses on your Dashboard.

G. **Messages.** A number will appear when you have unread messages. Click to read. This icon appears on most pages of the Academy.

H. **Profile.** Click to view and edit your profile. This icon appears on most pages of the Academy.

I. **Navigation button.** Click to open the menu and move to other pages of the Academy. This button appears on most pages of the Academy. The label tells you what page you are currently on.
