

# Using the Dashboard

The **Dashboard** page is where you can find information about your training.

Here you can see your course activity, start courses, and join live sessions. You can also update your Learner Profile, check your Messages, and download your Training History. If you click on the orange navigation button, a menu to other areas of the Academy will appear.

At the top, there is a search bar for enrolled courses and a navigation menu with tabs for "My Courses", "My Live Sessions", and "Learning Paths".
