

Using the Store

Need help?
Contact: support@kit.com

If you purchase courses one at a time, you will want to explore the **KIT Academy Store**.

The screenshot shows the KIT Academy Store interface. At the top, there are navigation buttons: 'Dashboard' (labeled E), 'Jane' (labeled D), and 'Shopping Cart' (labeled C). Below the navigation is a course listing for 'Accommodations During COVID'. The course features an illustration of four children playing on a trampoline. The course details include a 5-star rating, a difficulty level of 3 (represented by three grey squares), 1 module, and a price of \$20.00. An 'Add' button (labeled B) is next to the price. Below this is another course listing for 'Accommodations for Games', featuring an illustration of a person holding a large game controller. This course has a 5-star rating, 3 modules, and a price of \$20.00, with an 'Add' button. A large 'A' label is positioned to the right of the course listings, indicating the area for course listings.

A. Course listings. Scroll through to find courses of interest. Note the following for each course:

- Course description
- Rating of the course by past participants
- Number of modules
- Difficulty, if this has been assessed by past participants
- Price

B. Add. Click to add to your shopping cart.

C. Shopping Cart. Click to complete your purchase. When you complete your purchase, the purchased courses are added to the active courses on your Dashboard.

D. Profile button. Use this button to edit your Learner Profile.

E. Dashboard button. Use this button to return to the Dashboard
