Use these instructions to set-up your account for the first time and find and enroll in a course.

1. Visit <https://ecourses.kit.org>.
2. Enter your email address.
3. Enter the temporary password KIT123 and click "Sign in"

Registration form with fields for Email, Password, and a Sign in button. Arrows point to the input fields and the button.

Accept the terms, change your password, and complete your user profile.

Two notification banners: a green one for "Terms & Conditions accepted" and a blue one for "You must change your password."

4. You will be redirected to your Dashboard. Enrolled courses will be listed.

5. To search for and enroll in courses:
 - a. click "Catalog" on the left-hand menu.
 - b. Click the magnifying glass on the top-right side of the course list. Enter the course name or keyword.
 - c. Click "Enroll"

Course catalog search results for "Building Supports Using the Pyramid Model". The interface includes a search bar, filters, and an "Enroll" button. An arrow points to the search bar, and another points to the "Enroll" button.
